## Conservation Air Tour Highlights

The Conservation Air Tour was held Sunday October 12, 2008 at the Y-City Flying Service on Fairview Road from Noon-5 p.m. The price per person was \$25 per person and the MSWCD offered \$5 off gift certificates. Fifty –five participated in this event. The air tour lasted 20-25 minutes per flight. This gave people an opportunity to see their home and land from above. I would like to thank Y-City Flying Service for hosting this event. Also thanks to everyone that participated in the event without you this event would not of been a success.

**Thanks!**  
**Y-City Flying Service**  
**for Hosting the**  
**2008 Conservation**  
**Air Tour**
