

Volunteer Requirements

Policy 8.13

Effective: July 10, 2012

Anyone interested in assisting the MSWCD as a volunteer must first complete the NRCS Earth Team Volunteer paperwork.

All volunteers will be provided with a position description.

Volunteers wishing to assist at any MSWCD event at which there will be children must obtain a fingerprint check (WebCheck) at the Muskingum County Sheriff's Office. The volunteer will be responsible for scheduling the WebCheck and paying for the WebCheck. Results of the WebCheck must be sent to the Muskingum Soil and Water Conservation District at 225 Underwood Street, Ste. 100, Zanesville, Ohio 43701.

Current information regarding requirements and costs of the Muskingum County Sheriff's WebCheck program can be found at www.ohiomuskingumsheriff.org/bgchecks.

If the volunteer becomes a long-term volunteer, the MSWCD Board reserves the right to reimburse the volunteer for the cost of the fingerprint check (or to pay the cost of the fingerprint check directly), should the Board feel it is necessary.
