An Equal Opportunity Employer

Muskingum Soil and Water Conservation District

Position Description for Volunteer Intern – Scholarship Program

Nature and Purpose of Position

This position, which shall be known as Volunteer Intern of the Muskingum Soil and Water Conservation District (MSWCD), is located in Zanesville, Ohio. The purpose of the position is to give the Volunteer Intern the opportunity to work within the major program areas of the MSWCD, including agriculture, urban ag, education, forestry, and urban. This variety will allow the Volunteer Intern the opportunity to gain experience in the field of soil and water conservation and related programs.

Qualifications

Completion of one year of college required. Intern must either still be in college, or have a required internship in order to graduate (if all course work has been completed). Background check required; the cost must be paid by the Volunteer Intern, but may be reimbursed at the discretion of the MSWCD Board.

Work Schedule

The Volunteer Intern must volunteer a minimum of 160 hours over the course of 10 weeks (number of hours required may be decreased depending upon the effects of the pandemic in 2021), not to exceed 40 hours weekly. Normal work days begin at 8:00 a.m. and end at 4:30 p.m., with a one-half hour lunch period. The Volunteer Intern may determine which days/hours he/she would like to work and schedule with the appropriate SWCD staff accordingly. The District Administrator will be notified of any changes from the work day's established hours.

A timesheet will be filled out by the Volunteer Intern; it will be reviewed, approved and signed by the District Administrator.

If the Volunteer Intern cannot work or is ill, the Volunteer Intern must notify the MSWCD office by 8:30 a.m. the day he/she is reporting off.

General Duties and Functions

The position incumbent shall:

1. Demonstrate regular and predictable attendance for the required hours to be worked.
2. Comply with all MSWCD policies, including Employment (Personnel) Policy, Board Policies, and Position Description.

The SWCD and NRCS prohibit discrimination in any program activity or employment on the basis of race, color, national origin, sex, religion, age, disability, retaliation, political beliefs, sexual orientation, marital or family status, or genetic information. Persons with disabilities who require alternative means of communication (Braille, large print, etc.) or who need special accommodations for meetings should contact the SWCD office at (740) 454-2027.

3. Dress appropriately for the position and the work to be completed.
4. Be physically capable to make field visits and traverse rough, steep and uneven terrain as necessary. Be able to lift and handle the necessary equipment.
5. Work well with others, including children ages 7-17, if working with The Green Team Youth Conservation Club.
6. Assist with the development and implementation of the MSWCD's public relations program through displays, tours, field days, educational events, workshops, clinics and other related activities relative to MSWCD programs. Programs relative to conservation will be offered for both adult and youth. This will include assisting with the development and creation of a fair display.
7. Assist with radio and television programs, news releases and *District Newsletter* articles as assigned.
8. Responsible for proper use and storage of MSWCD automotive, office and rental equipment.
9. Actively participate in the day-to-day activities and display a good attitude and work ethic. Attend and participate in a "meet and greet"/orientation lunch potluck before beginning.
10. Prepare and maintain forms used in providing assistance to land users, land owners, administrative records, progress reporting, and all other field office records necessary for documentation and preparation of reports to MSWCD Board, ODA, OSWCC, ODNR – Division of Forestry, ODNR – Division of Wildlife, Muskingum County Auditor, and USDA-NRCS. Enter required information in SWIMS reporting program.
11. Perform all other activities and duties as assigned.
12. Assist in the security of all electronic data, hard copies, and computer equipment.
13. Must be insurable for vehicle operation and have a valid Ohio driver's license. May be required to use personal vehicle.
14. As needed, answer the telephone and meet office callers.

Specific Programs

The SWCD and NRCS prohibit discrimination in any program activity or employment on the basis of race, color, national origin, sex, religion, age, disability, retaliation, political beliefs, sexual orientation, marital or family status, or genetic information. Persons with disabilities who require alternative means of communication (Braille, large print, etc.) or who need special accommodations for meetings should contact the SWCD office at (740) 454-2027.

The Volunteer Intern will assist the MSWCD staff responsible for providing technical assistance. The following is a brief listing of the major program areas and two seasonable/intermittent areas in which the Volunteer Intern may work.

Agriculture – A variety of conservation practices are installed annually. The Volunteer Intern will assist the Agricultural Resource Specialist with initial site reviews, surveys, and construction layout of various conservation measures. The practices may include grassed waterways, diversions, subsurface drainage, open drainage, spring developments, stream fencing, etc.

Non-engineering duties might include the set-up and calibration of the MSWCD's no-till drills for the planting of forages, small grains or soybeans. Also might include instructing renters on use of lime spreader.

Education – The Volunteer Intern will assist MSWCD Staff with carrying out the MSWCD education programs. These programs may include, but are not limited to Kids Conservation Camp, teacher workshops, clinics, displays for the fair and Farm City Day, newsletter articles, and articles for the District's website and Facebook page.

Forestry – The Volunteer Intern will assist the Forest Resource Specialist with the development of forest management plans, including, but not limited to CAUV Forest Management Plans. This includes the field visit with the property owner, assembling of management plans, and entering the data in Beehive and GIS. The Volunteer Intern may be asked to assist with any planned forestry event.

Urban – Many conservation practices are planned and applied in the urban (non-ag) setting. These practices may include storm water and erosion control, surface and subsurface drainage, erosion control structures, vegetation establishment, storm water retention basins, rain gardens, etc. Services are provided to private landowners, villages, the City of Zanesville, township trustees and other county agencies.

Water Quality - The MSWCD continues a water sampling project in the Salt Creek Watershed. We work in collaboration with Dr. Lois Zook of Muskingum University to run the water samples in their chemistry lab. The Volunteer Intern will have opportunities to collect water samples and participate in water quality testing.

Grant Work – The MSWCD may, at times, have an active grant going on through the summer that requires field work, gathering and preparation of samples (water, soil, plants), etc.

Urban Greens (Urban Ag) – The mission of the Urban Greens Program reads: Growing food, growing community. Together we are working to develop and support urban agriculture projects in Muskingum County. Work opportunities include hands-on work in the gardens, helping with community events, etc.

The SWCD and NRCS prohibit discrimination in any program activity or employment on the basis of race, color, national origin, sex, religion, age, disability, retaliation, political beliefs, sexual orientation, marital or family status, or genetic information. Persons with disabilities who require alternative means of communication (Braille, large print, etc.) or who need special accommodations for meetings should contact the SWCD office at (740) 454-2027.

Guidance and Supervision

The Volunteer Intern is responsible for developing his/her weekly schedule in conjunction with the MSWCD staff members. Volunteers Interns assigned to work The Green Team Youth Conservation Club are required to attend Monday and Wednesday each week for the seven weeks of camp.

Direction and daily supervision will be provided by the District Administrator and MSWCD staff.

Must communicate, orally or in writing, all work-related problems or concerns with the District Administrator.

Training

Training will be provided by MSWCD staff. Also, specific technical guides, manuals, and handbooks are available for review.

The Volunteer Intern may choose to focus his/her work on a specific program or project as time and workload permit.

Agreement

The Volunteer Intern agrees that all programs and services of the MSWCD, ODA, and USDA-NRCS are offered on a nondiscriminatory basis, without regards to race, color, national origin, age, sex, religion, marital or family status, disability, retaliation, political beliefs, sexual orientation, genetic information or handicap.

The MSWCD Board reserves the right to cancel the internship/scholarship at any time should they deem it necessary due to issues with the intern, such as a bad attitude, poor work ethic, inappropriate conduct, poor attendance, inappropriate dress, poor job performance, inability to work well with others, etc.

The MSWCD will provide hands-on learning experiences in the areas listed above. The Intern will also be introduced to various computer software computer applications, including but not limited to ArcGIS and Web Soil Survey. Educational webinars on soil health and water quality will be made available. Interns may have opportunities to attend trainings, events, field days, tours, etc. as they become available.

The MSWCD will provide the successful intern with a \$1,000.00 scholarship, to be presented at the August Board meeting. In the event the internship is the final requirement for graduation, the \$1000 may be used for student loan debt.

Following the completion of the summer internship, the District Administrator will complete a review of the Volunteer Intern's accomplishments and work habits. The Volunteer Intern will be asked to provide program feedback – what was learned and what areas need to be improved. The information will be used to further develop the program.

The SWCD and NRCS prohibit discrimination in any program activity or employment on the basis of race, color, national origin, sex, religion, age, disability, retaliation, political beliefs, sexual orientation, marital or family status, or genetic information. Persons with disabilities who require alternative means of communication (Braille, large print, etc.) or who need special accommodations for meetings should contact the SWCD office at (740) 454-2027.
